CSI	 13% (2 Wins)	 13% (2 wins / 15 bids)	0.00%

Count of Competitor Bids on Mutual Projects

Avg Bid Pct Compared to CSI on Mutual Projects

In Summary, The Dashboard Shows Us...

Who is likely to bid in Southern Minnesota?

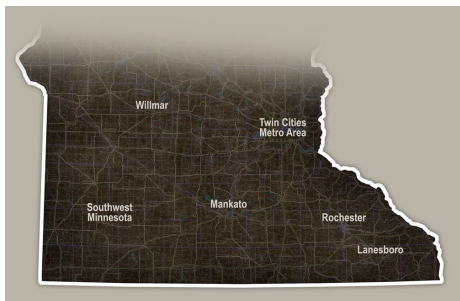

- Duininck Inc (80%)
- Ulland Brothers Inc (47%)
- OMG Midwest Inc (40%)

What are the bid percentages of these competitors compared to CSI?

Duininck Inc	-1.86%
Ulland Brothers Inc	-8.11%
OMG Midwest Inc	-8.47%

What specific location insights do we discover in Southern Minnesota?

- Ulland Brothers wins 27% of projects CSI bids on
- CSI only wins 13% of projects

Observations and Opportunities

OBSERVATIONS:

Ulland is selective and aggressive, underbids CSI on average across all bids in Southern MN...

Appears to be a weak area for CSI.

OPPORTUNITIES:

Reducing expenses → CSI can bid less

Potentially more wins...

OR

Spend time and resources elsewhere.
